Miracle House believes in strong relationships between child and their sponsors. Our child sponsors have opportunity to correspond with their sponsored child by sending any letter or photos in a business letter size envelope (Envelope Size 10) to the address below. All letters received will be hand delivered on the next trip to Kenya (usually 2-3 times per year). We feel it is important for the children to hear from their sponsors, it gives them an opportunity to get to know you and pray for you and your family as well as give thanks for your support.

Payments and correspondence should be sent to:
